Can I get my plinths in a different size?

Of course! If you would like exact pricing, please let us know exact size you are wanting, the material you'd like it made from or how you'd like it to look, and the quantity required.

Are there discounts for larger quantities?

Yes, the prices in this guide are for 1-2 units. For any quantities more than two a discount will apply.

How long do they take to supply?

If you are looking for a specific size we will need to make these for you, and depending on materials this could take 1-3 weeks. If you need them in a rush and can be flexible on sizes we may have something in stock which can be supplied quickly.

I require specific shapes, colours or finishes – is this OK?

Yes, as the plinths will be built-to-order we can make them to your requirements. Bear in mind that any adjustments will invariably push the price up so will require quoting.
